BEFORE YOU BEGIN

Thank you for choosing the Bold Look of Kohler. Kohler craftsmanship offers you a rare combination of proven performance and graceful sophistication that will satisfy you for years to come. The quality and dependability of your Kohler toilet seat will surpass your highest expectations. We're very proud of our products here at Kohler and we know you will be too.

Please take a few minutes to study this manual. Pay special attention to the Care and Cleaning instructions. All information in this manual is based upon the latest product information available at the time of publication. At Kohler, we constantly strive to improve the quality of our products. We reserve the right to make changes in product characteristics, packaging or availability at any time without notice.

INSTALLATION

Install the Toilet Seat

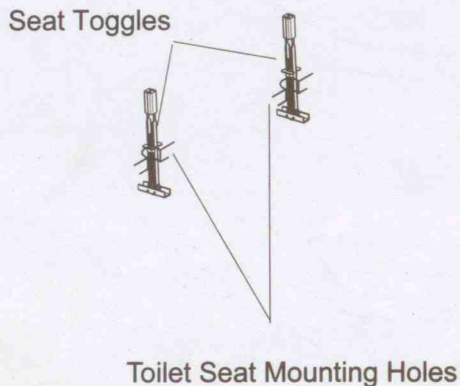

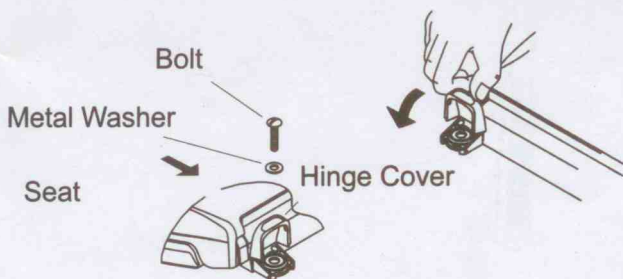

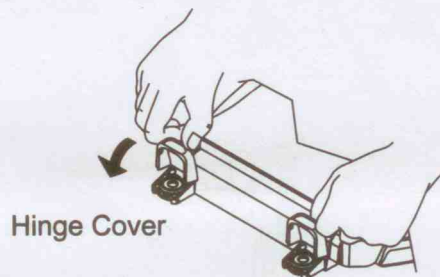

Remove the existing toilet seat and mounting hardware.

Dispose of the old toilet seat and mounting hardware.

If necessary, clean the toilet surface.

Grasp the toilet seat in both hands and use both thumbs to push the hinge to the horizontal position.

Use a finger to lift each hinge cover.

Seat Toggle

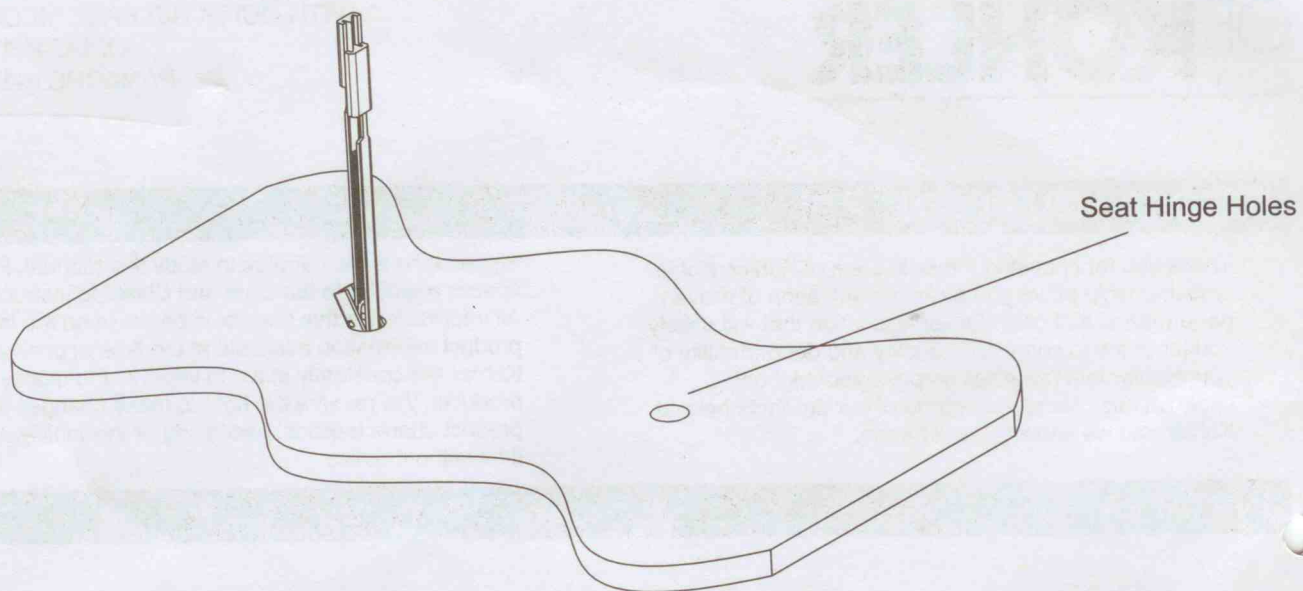

Toggle Strap

Plastic Collar

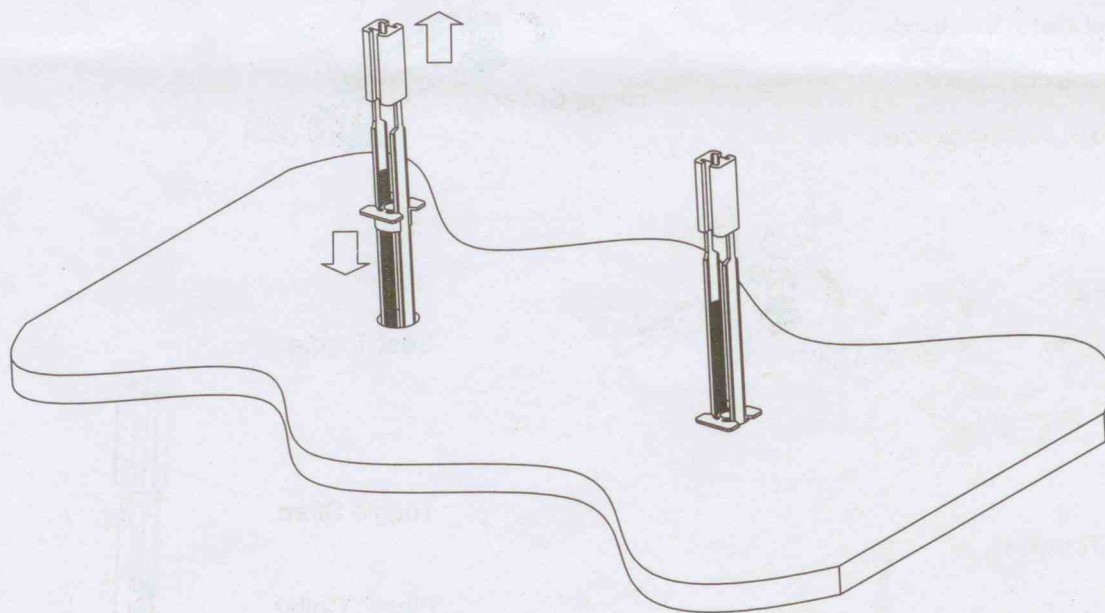

U Channel

Seat Toggle Installation

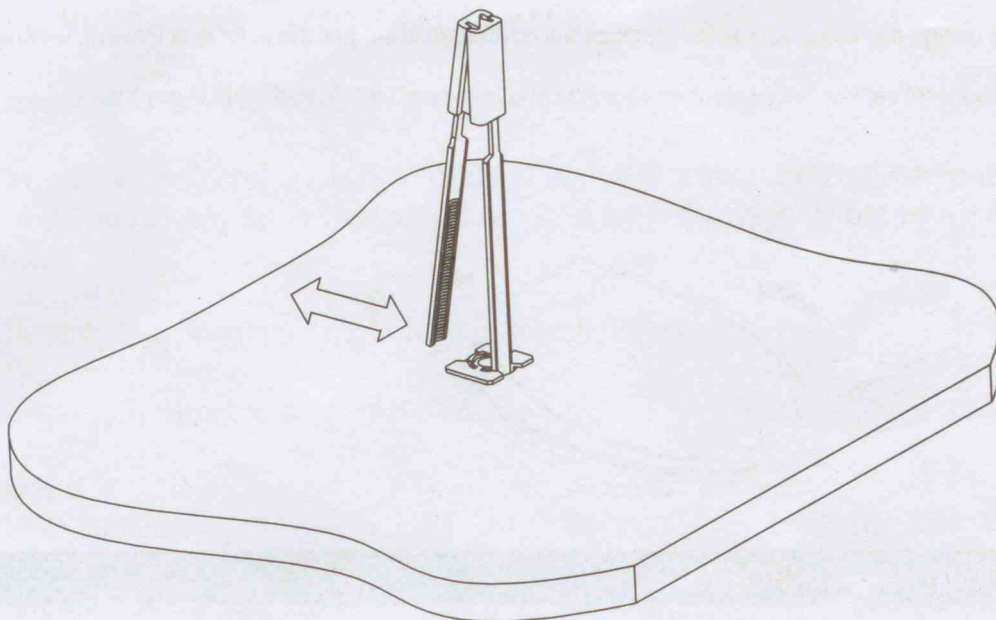

Insert the toggle strap into the seat hinge hole on the pan

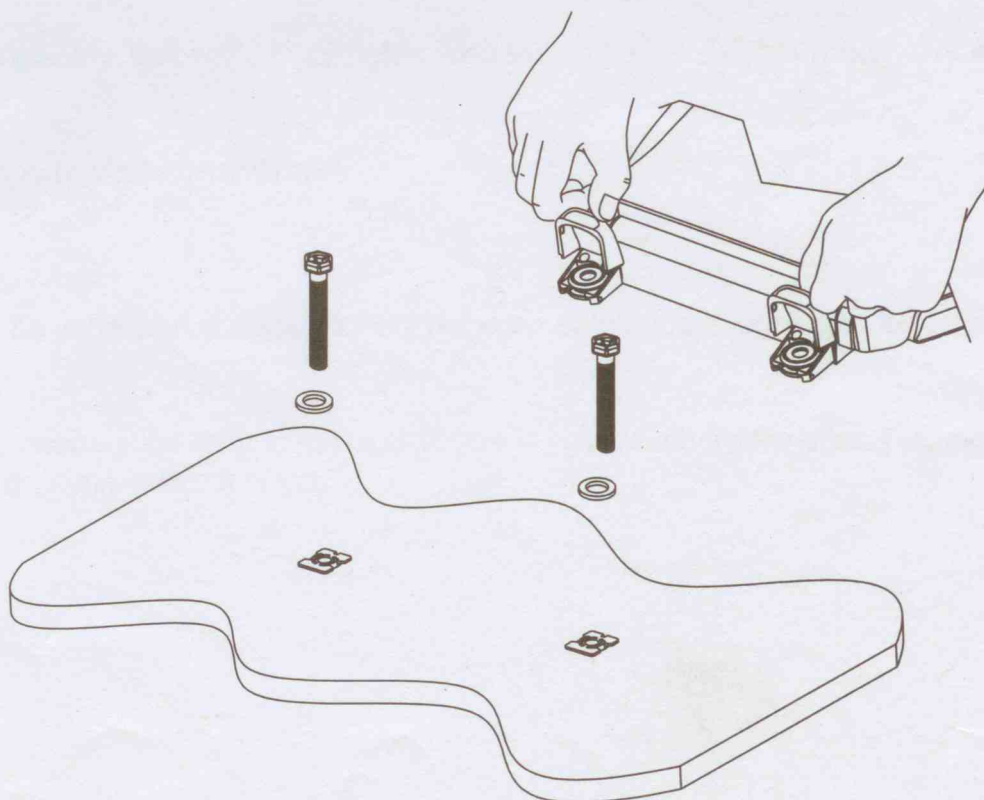

Hold the end of the straps and pull the toggle upwards.
Ensure the the U Channel is flush with the underside of the pan.
With the other hand slide the plastic collar down onto the toilet.
Ensure the plastic collar is flush.

Snap the toggle strap off, by holding it at the plastic collar and moving it from side to side. Ensure the straps snaps off flush to the plastic collar.

Align the seat fixing holes over the plastic collar and fix with the bolts provided.

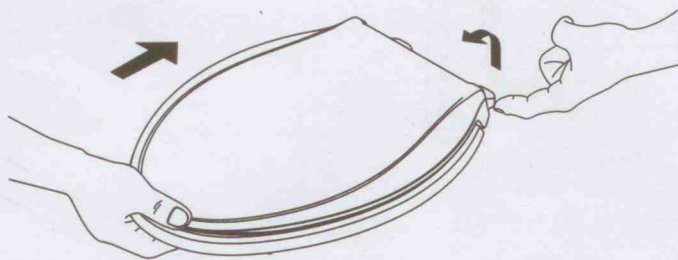

OPERATION

Your Kohler Toilet seat is designed to close slowly when the lid is released. To close simply push the lid forwards.

The toilet seat also has an easy to clean quick release hinge that allows the toilet seat to be quickly removed for complete cleaning.

The hinge covers are easily lifted using your fingertip. Once the covers are lifted, pull the toilet seat forward, leaving the mounting hardware in place.

After cleaning, push the toilet seat back into place on the mounting hardware and close the hinge covers.

IMPORTANT CONSUMER INFORMATION

Care and Cleaning

The toilet seat may be completely removed for a complete cleaning. Refer to the Operation Section

Clean the surface of your toilet seat with mild soap and warm water. Wipe the entire surface completely dry with a clean, soft cloth.

Do not use strong abrasive cleaners, as they will scratch and dull the surface.
